NATURE OF PROCEEDING

NOTICE IS HEREBY GIVEN that the Managed Risk Medical Insurance Board (MRMIB) is proposing to take the action described in the Informative Digest.

A public hearing regarding this proposal will be held on November 3, 2008 at 1:30 p.m., at 1000 G Street, Suite 450, Sacramento, CA 95814.

Following the public hearing MRMIB may thereafter adopt the proposal substantially as described below or may modify the proposal if the modifications are sufficiently related to the original text. With the exception of technical or grammatical changes, the full text of any modified proposal will be available for 15 days prior to its adoption from the person designated in this Notice as contact person and will be mailed to those persons who submit written comments related to this proposal, or who provide oral testimony at the public hearing, or who have requested notification of any changes to the proposal.

Notice is also given that any interested person, or his or her authorized representative, may submit written comments relevant to the proposed regulatory action to the:

Managed Risk Medical Insurance Board
Attn: Dianne Knox
1000 G Street, Suite 450
Sacramento, CA 95814

Comments may also be submitted by facsimile (FAX) at (916) 445-0898 or by e-mail to dknox@mrmib.ca.gov. Comments must be received by no later than 5:00 p.m. on November 3, 2008.

AUTHORITY AND REFERENCE

Pursuant to the authority vested by Section 12711 and 12712 Insurance Code Assembly Bill Number 1401 (Statutes 2002, chapter 794, Section 21).

Reference Sections: 10900, 10127.15, 12705, 12711, 12712, 12718, 12725, 12726, 12728, 12729, 12730, and 12733, Insurance Code; 1373.62 Health and Safety Code; Sections 297, 299 and 299.2, Family Code. Amendment of Sections 2698.100; 2698.200; 2698.201; 2698.206; 2698.300; 2698.301; and 2698.302.

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Insurance Code Section 12700, et seq., established the Major Risk Medical Insurance Program (MRMIP) in 1991, under the direction of the Managed Risk Medical Insurance Board (MRMIB). The MRMIP program provides access to health insurance for individuals who are denied coverage, or offered excessive premiums due to pre-existing medical conditions. MRMIP subscribers and dependent subscribers can select from several health insurers or health maintenance organizations that contract with the MRMIB.

The proposed regulations update existing regulation language to be in compliance with Family Code Section 297, AB 205, Domestic Partnership Rights and Responsibilities Act of 2003 and the Knox-Keene Act.

The Domestic Partnership Rights and Responsibilities Act of 2003, came in to effect on January 1, 2005 and provides that all registered domestic partners in the State of California be entitled to the same rights, protections, benefits, and responsibilities as traditional married couples.

In addition, the Family Code Section 297.5(d) specifies that the rights and obligations of registered domestic partners with respect to a child of either of them shall be the same as those of spouses. Therefore, a registered domestic partner's qualified dependent child must be treated the same as a dependent step-child.

MRMIP regulations do not currently identify registered domestic partners or a registered domestic partner's child as dependents and persons being eligible for dependent coverage. The purpose for these changes in regulations is to be in compliance with the Act which requires that all registered domestic partners in the State of California be entitled to the same rights, protections, benefits, and responsibilities as spouses.

The Board establishes eligibility standards and benefit levels in MRMIP. The proposed regulations clarify the Board's authority to determine and authorize subscriber deductibles. On September 19, 2007, the Board approved regulation changes to establish a deductible in the MRMIP and to exclude preventive care services, as defined in the Knox-Keene Act, from the deductible.

Knox-Keene Act Section 1367.35(b), defines comprehensive preventive care to children as being “consistent with both of the following: (A) The Recommendations for Preventive Pediatric Health Care, as adopted by the American Academy of Pediatrics in September of 1987 and (B) The most current version of the Recommended Childhood Immunization Schedule/United States, jointly adopted by the American Academy of Pediatrics, the Advisory Committee on Immunization Practices, and the American Academy of Family Physicians...” and must provide for immunizations (Section 1367.35(b)(2)(B).)

Section 1300.67 of Title 28 of the California Code of Regulations sets forth the basic health care services required to be provided by a health care service plan to its enrollees (adults and children where specified). These services include preventive health services, reasonable health appraisal examinations on a periodic basis, and immunizations for children in accordance with the recommendations of the American Academy of Pediatrics and immunizations for adults as recommended by the Centers for Disease Control and the Advisory Committee on Immunization Practices (ACIP) which recommends coverage for travel immunizations.

MRMIP regulations, Article 3, Section 2698.301(a), states the minimum scope of benefits must comply with all requirements of the Knox-Keene Health Care Service Plan Act of 1975.

MRMIP regulations Section 2698.301(a)(2)(F) establishes benefits for comprehensive preventive care of children through age 16, including periodic health evaluations, immunizations and laboratory services in connection with periodic health evaluations.

The amendments to Section 2698.301(a)(2)(F) are necessary to clarify that preventive care of children includes preventive care for 17 and 18 year old children as recommended by the American Academy of Pediatrics.

In addition, the amendments to Section 2698.301(a)(2)(F) are necessary to clearly define the services that are considered to be comprehensive preventive care for children and adults. Comprehensive preventive care services for adults and children are different; therefore, separation of the services is needed for clarity.

The proposed regulations also clarify the Board's authority to determine and authorize subscriber deductibles, remove confusing language on preventive services and clarify language regarding covered immunizations for adults and subscriber children.

There are no comparable provisions of federal law related to this proposal.

LOCAL MANDATE

This proposal does not impose a mandate on local agencies or school districts.

FISCAL IMPACT ESTIMATES

This proposal does not impose a mandate on local agencies or school districts for which reimbursement would be required pursuant to Part 7 (commencing with Section 17500 of Division 4 of the Government Code. This proposal does not impose other nondiscretionary cost or savings on local agencies. This proposal does not result in any cost or savings in federal funding to the state.

COSTS OR SAVINGS TO STATE AGENCIES

No additional costs or savings to state agencies are anticipated.

BUSINESS IMPACT/SMALL BUSINESS

The MRMIB has made an initial determination that the proposed regulatory action would have no significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states. The proposal does not affect small businesses as defined by Section 11342.610. The determination that the proposal would not affect small business is based upon the fact that the proposal only clarifies requirements of the Domestic Partners Rights and Responsibilities Act of 2003 and the Knox-Keene Act which are currently existing covered benefits. It has no impact at all on an entity that is not a state agency as defined in section 11000 of the California Government Code.

ASSESSMENT REGARDING EFFECT ON JOBS/BUSINESSES

The MRMIB has determined that this regulatory proposal will not have any impact on the creation of jobs or new businesses or the elimination of jobs or existing businesses or the expansion of businesses in the State of California.

COST IMPACTS ON REPRESENTATIVE PERSON OR BUSINESS

The MRMIB is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

EFFECT ON HOUSING COSTS: None

ALTERNATIVES

The MRMIB must determine that no reasonable alternative considered by the agency, or that has been otherwise identified and brought to the agency's attention, would be more effective in carrying out the purpose for which the adoption of this regulation is proposed, or would be as effective as and less burdensome to affected private persons than the proposed action.

CHAPTER 5.5 MAJOR RISK MEDICAL INSURANCE PROGRAM
AMEND SECTIONS 2698.100; 2698.200; 2698.201; 2698.206; 2698.300;
2698.301; and 2698.302**

INITIAL STATEMENT OF REASONS

INTRODUCTION

Insurance Code Section 12700, et seq., established the Major Risk Medical Insurance Program (MRMIP) in 1991, under the direction of the Managed Risk Medical Insurance Board (MRMIB or Board). The program provides access to health insurance for individuals who are denied coverage, or offered excessive premiums due to pre-existing medical conditions. MRMIP subscribers and dependent subscribers can select from several health insurers or health maintenance organizations that contract with the MRMIB.

Domestic Partnership Changes

AB 205, the Domestic Partnership Rights and Responsibilities Act of 2003, Family Code Section 297 et seq., came in to effect on January 1, 2005. The Act provides that all registered domestic partners in the State of California shall be entitled to the same rights, protections, benefits, and responsibilities as spouses. In addition, the Family Code Section 297.5(d) specifies that the rights and obligations of registered domestic partners with respect to a child of either of them shall be the same as those of spouses. Therefore, a registered domestic partner's qualified dependent child must be treated the same as a dependent step-child.

MRMIP regulations do not currently identify registered domestic partners or a registered domestic partner's child as dependents and persons being eligible for dependent coverage. The purpose for these changes in regulations is to be in compliance with the Act which requires that all registered domestic partners in the State of California be entitled to the same rights, protections, benefits, and responsibilities as spouses.

Minimum Scope of Benefit Changes

The Board establishes eligibility standards and benefit levels in MRMIP. The proposed regulations clarify the Board's authority to determine and authorize subscriber deductibles. On September 19, 2007, the Board approved regulation changes to establish a deductible in the MRMIP and to exclude preventive care services, as defined in the Knox-Keene Act, from the deductible.

Knox-Keene Act Section 1367.35(b), defines comprehensive preventive care to children as being "consistent with both of the following: (A) The Recommendations for Preventive Pediatric Health Care, as adopted by the American Academy of Pediatrics in September of 1987 and (B) The most current version of the Recommended Childhood Immunization Schedule/United States, jointly adopted by the American Academy of Pediatrics, the Advisory Committee on Immunization Practices, and the American Academy of Family Physicians..." and must provide for immunizations (Section 1367.35(b)(2)(B).)

Section 1300.67 of Title 28 of the California Code of Regulations sets forth the basic health care services required to be provided by a health care service plan to its enrollees (adults and children where specified). These services include preventive health services, reasonable health appraisal examinations on a periodic basis, and immunizations for children in accordance with the recommendations of the American Academy of Pediatrics and immunizations for adults as recommended by the Centers for Disease Control and the Advisory Committee on Immunization Practices (ACIP) which recommends coverage for travel immunizations.

MRMIP regulations, Article 3, Section 2698.301(a), states the minimum scope of benefits must comply with all requirements of the Knox-Keene Health Care Service Plan Act of 1975.

MRMIP regulations Section 2698.301(a)(2)(F) establishes benefits for comprehensive preventive care of children through age 16, including periodic health evaluations, immunizations and laboratory services in connection with periodic health evaluations.

The amendments to Section 2698.301(a)(2)(F) are necessary to clarify that preventive care of children includes preventive care for 17 and 18 year old children as recommended by the American Academy of Pediatrics.

In addition, the amendments to Section 2698.301(a)(2)(F) are necessary to clearly define the services that are considered to be comprehensive preventive care for children and adults. Comprehensive preventive care services for adults and children are different; therefore, separation of the services is needed for clarity.

SPECIFIC PURPOSE OF EACH SECTION – GOVERNMENT CODE 11346.2(B)(1)

Proposed Amendments to Section 2699.100 - Definitions

Specific Purpose of the Changes

Section 2698.100 defines various terms found throughout MRMIP regulations. A definition of “registered domestic partner”, and a modification of the definition of “dependent” are necessary to incorporate the provisions of the Domestic Partnership Rights and Responsibilities Act of 2003. In addition, several definitions must be re-lettered to accommodate for the change in the number of terms identified.

Rationale for the Necessity of the Changes

Amend Section 2698.100(i)(1): The Section is proposed to be amended to include the phrase “registered domestic partner” to clarify that a registered domestic partner shall be treated the same as a spouse of a subscriber or an applicant at the time of application.

Amend Subsection 2698.100(i)(2)(C)(1): The Subsection would be amended to include the phrase “registered domestic partner.” This Subsection refers to a child adopted by an applicant or subscriber, or the applicant’s or subscriber’s spouse, and is amended to include a child adopted by an applicant’s or subscriber’s registered domestic partner.

Amend Subsection 2698.100(i)(2)(C)(2): The Subsection would be amended to include the phrase “registered domestic partnership.” This Subsection states that a child shall be considered a stepchild upon the subscriber’s or applicant’s marriage to the natural or adopted stepchild’s parent. This Subsection is updated to include the phrase “registered domestic partnership” in conjunction with the term “marriage.”

Amend Subsection 2698.100(cc): The Section would be added to the regulations to define who is a registered domestic partner. The definition includes as a person who has either filed an appropriate declaration with the Secretary of State which meets the criteria specified by Family Code Section 297 and has not been terminated pursuant to Family Code Section 299 or is a member of a partnership validly formed in another jurisdiction which is recognizable as a valid domestic partnership in the state

Amend Subsection 2698.100(cc): The citation was changed from (cc) to (dd) because of the addition of the term of “Registered Domestic Partner,” which required the re-lettering of all subsequent definitions.

Amend Subsection 2698.100(dd): The citation was changed from (dd) to (ee) because the previous section was re-lettered.

Amend Subsection 2698.100(ee): The citation was changed from (ee) to (ff) because the previous sections were re-lettered.

Amend Subsection 2698.100(ff): The citation was changed from (ff) to (gg) because the previous sections were re-lettered.

Amend Subsection 2698.100(gg): The citation was changed from (gg) to (hh) because the previous sections were re-lettered.

Amend Subsection 2698.100(hh): The citation was changed from (hh) to (ii) because the previous sections were re-lettered.

Amend Section 2698.100 "Note: Authority Cited": The purpose of the change is to include Section 297 of the Family Code.

Proposed Amendments to Section 2698.200 - Basis of Eligibility

Specific Purpose of the Changes

Section 2698.200 defines eligibility requirements for a subscriber in the MRMIP. The proposed regulations amend the Authority of Section 297 of the Family Code to ensure domestic partner eligibility.

Rationale for the Necessity of the Changes

Amend Section 2698.200, "Note: Authority Cited": The Note would include Section 297 of the Family Code.

Proposed Amendments to Section 2698.201 - Application

Specific Purpose of the Changes

Section 2698.201 explains the information that an applicant must provide on the MRMIP application. The proposed regulations include the requirement of "registered domestic partnership status" and delete the revision date on the MRMIP application as it is revised annually. The most current application is always available to be downloaded on the MRMIB website. The substantive information sought in the form is that information required by Section 2698.201(d)(2). In addition, the Family Code is added to the Authority sections that are cited in regulation.

Rationale for the Necessity of the Changes

Amend Subsection 2698.201(d)(1): The Subsection would delete reference to the 2003 MRMIP application. This application is reprinted every year and available on the MRMIB website. Therefore, an application version date should not be identified. The substantive information sought in the form is that required by Section 2698.201(d)(2).

Amend Subsection 2698.201(d)(2)(E): The proposed Subsection is needed to include appropriate information in order to comply with Section 297 of the Family Code.

Amend the "Note: Authority Cited": The proposed Subsection would include Section 297, 299, and 299.2 of the Family Code.

Proposed Amendments to Section 2698.206 - Dependent Coverage

Specific Purpose of the Change

Section 2698.206 defines dependent coverage. Consistent with the provisions of the Domestic Partnership Rights and Responsibilities Act of 2003, the amendments to this section would provide registered domestic partners the same rights as a subscriber or subscriber spouse regarding the health care of an adoptive child, or of a child who is placed for adoption.

Rationale for the Necessity of the Changes

Amend Subsection 2698.206 (a)(4)(A): The proposed Subsection would include the term "registered domestic partner." This Subsection states that starting dates of coverage for dependent newborns and adoptive children shall be on their date of birth or adoption. This Subsection also indicates that subscriber's spouse may have the right to control the health care of the adopted child. Proposed language was added to state that an applicant's registered domestic partner may have the same right to control the health care of the adopted child for purposes of coverage.

Amend Subsection 2698.206(a)(7): The proposed Subsection would include the term "registered domestic partner." This Subsection deals with the subscriber contribution amount and its adjustment with regards to newly enrolled children. MRMIP makes a subscriber effective on the first of the month, except in the case of a newborn or adopted child. The effective date of coverage for a newborn or adopted child is the date of birth or adoption. The proposed Subsection would also provide for an adjustment of the subscriber contribution amount when a registered domestic partner signs a document triggering an adjustment.

Amend the “Note: Authority Cited”: The proposed Subsection would include Section 297 of the Family Code.

Proposed Amendments to Section 2698.300 – Deductible and Copayment

Specific Purpose of the Changes

Section 2698.300 clarifies that the Board, not the health plans, may authorize benefit co-payments and deductibles for MRMIP subscribers and enrolled dependents. In addition, the proposed changes would clarify that the Board may authorize health plans not utilizing a deductible to charge an office visit copayment of up to twenty-five dollars (\$25).

Rationale for the Necessity of the Changes

Amend Subsection 2698.300(a): The modification to the Subsection would clarify that the Board, not the plans, has the authority under Section 12718 of the Insurance Code to determine and authorize copayments and deductibles for subscribers.

Amend Subsection 2698.300(a)(2): The proposed changes would clarify that the Board may authorize health plans not utilizing a deductible to charge an office visit copayment of up to twenty-five dollars (\$25).

Proposed Amendments to Section 2698.301 – Minimum Scope of Benefits

Specific Purpose of the Changes

Section 2698.301 describes the minimum scope of benefits available to MRMIP subscribers. Coverage of comprehensive preventive care is clarified for both children and adults including immunizations.

Rationale for the Necessity of the Change

Amend Subsection 2698.301(a)(2)(F): The Subsection would add “adults” and delete “16 years of age or younger.” Health plans are currently required to provide preventive services under the Knox-Keene Act to adults and children, but the current MRMIP regulations can be misread to provide preventive services only to children, 16 years of age or younger. The proposed changes would clarify for MRMIP subscribers and health plans that preventive health services for both adults and children are covered benefits.

Add Subsection 2698.301(a)(2)(F)(i): The proposed Section would add “Comprehensive preventive care of children shall be consistent with” and “most

current” in front of existing language “Recommendations for Preventive Pediatric Health Care as adopted by the American Academy of Pediatrics”; delete “in September of 1987” and delete “the most current version of the Recommended Childhood Immunization Schedule/United States, jointly adopted by the American Academy of Pediatrics, the Advisory Committee on Immunization Practices, and the American Academy of Family Physicians” as these references are moved to new subsection 2698.301(a)(2)(F)(iii). The proposed change incorporates the applicable provisions of the Knox-Keene Act.

Add Subsection 2698.301(a)(2)(F)(ii): The Subsection would clarify that comprehensive preventive care services shall include periodic health evaluations, immunizations and laboratory services in connection with periodic health evaluations. This clarification will ensure that both the MRMIP subscribers and the health plans understand which services are considered preventive care services for adults and children.

Add Subsection 2698.301(a)(2)(F)(iii)(a): The proposed language incorporates the applicable provisions of the Knox-Keene Act.

Add Subsection 2698.301(a)(2)(F)(iii)(b): The proposed Subsection would clarify that immunizations for children for travel will be based upon the recommendations of nationally recognized immunization. It would also clarify that immunizations for travel are a covered benefit for children.

Add Subsection 2698.301(a)(2)(F)(iv)(a): The proposed Subsection would Incorporate the applicable provisions of the Knox-Keene Act.

Add Subsection 2698.301(a)(2)(F)(iv)(b): The proposed Subsection would clarify that immunizations for adults for travel is a covered entity and the specific standards will be based upon the recommendations of nationally recognized immunization experts.

OTHER REQUIRED SHOWINGS – GOVERNMENT CODE 11346.2(B)-(4)

Studies, Reports, or Documents Relied Upon – Gov. Code 11346.2(b)(2):

MRMIB relied upon the Federal Department of Health and Human Services, Centers for Disease Control and Prevention, Advisory Committee on Immunization Practices Recommended Childhood Immunization Schedule/United States (<http://cdc.gov/mmwr/preview/mmwrhtml/mm5701a8.htm.htm>); and Recommended Adult Immunization Schedule/United States (<http://www.cdc.gov/mmwr/pdf/wk/mm5641-Immunization.pdf>).

MRMIB also relied on the Recommended Adult Immunization Schedule, U.S. Department of Health and Human Services (<http://www.cdc.gov/vaccines/pubs/ACIP-list.htm>).

Reasonable Alternatives Considered – Gov. Code 11346.2(b)(3)(A): None. Except for the requirements for immunizations for children and adults for travel, there were no reasonable alternatives other than modifying regulations to comply with state law requirements. There are no reasonable alternatives for the requirements for immunizations for children and adults for travel as they are existing covered benefits and important aspects of health care for subscribers.

Reasonable Alternatives Considered That Would Lessen The Impact On Small Business – Gov. Code 11346.2(b)(3)(B): None. Except for the requirements for immunizations for children and adults for travel, there were no reasonable alternatives other than modifying regulations to comply with state law requirements. There are no reasonable alternatives for the requirements for immunizations for children and adults for travel as they are existing covered benefits and are important aspects of health care for subscribers.

Evidence Relied Upon to Support the Initial Determination That the Regulation will Not have a Significant Adverse Economic Impact On Business – Gov. Code 11346.2(b)(4).

MRMIB has determined that, except for the requirements for immunizations for children and adults for travel, there is no significant adverse economic impact on business because current regulations require comprehensive preventive care consistent with the Knox-Keene Act. There is not an adverse economic impact on businesses for the requirements for immunizations for children and adults for travel as they are existing covered benefits and are important aspects of health care for subscribers.

 - (S) An initialed declaration that the applicant has not been terminated from a standard benefit plan available under the provisions of Health and Safety Code section 1373.62 or Insurance code section 10127.15 within the last 12 months due to non-payment of premiums or as a result of the applicant's request to voluntarily disenroll or as a result of fraud.
 - (T) An indication of the applicant's selected participating health plan.
 - (U) If an applicant is not currently eligible for the program, but anticipates becoming eligible, the applicant shall explain and document the reason or reasons, and provide the date on which eligibility will occur.
 - (V) The applicant or the applicant's parent, conservator, or guardian shall sign and date the application stating that the information given is true and correct.
- (3) The following information is requested but not mandatory, and will be used for identification and administrative purposes:
- (A) The applicant's ethnicity.

- (B) The applicant's social security number.
- (C) The dependent's social security number, if dependents are to be included in the coverage.
- (e) In order for the program to determine that a pre-existing condition exclusion or a post-enrollment waiting period should be waived, or partially waived, each individual applying for coverage must provide one of the following:
 - (1) Documentation that the individual had prior creditable coverage, or
 - (2) Documentation that the individual has been covered by a similar plan sponsored by another state before becoming a resident of the State of California.
- (f) Applications may be submitted at any time. An applicant shall not be enrolled nor shall the applicant be placed on a waiting list until the applicant has fulfilled all of the requirements for eligibility. Once the requirements for eligibility are fulfilled, applicants shall be enrolled or placed on a waiting list in order of the date of receipt of the completed application.

Section 2698.206 is amended to read:

2698.206. Dependent Coverage

- (a) (1) Dependents may be enrolled:
 - (A) Within sixty (60) days of the date the individual became the subscriber's dependent; or
 - (B) Within sixty (60) days of the termination of a dependent's other health care coverage.
- (2) A subscriber wishing to enroll additional dependents shall notify the program in writing of the full names, dates of birth, sex, social security numbers (not mandatory), and relationship of the dependents to be enrolled. Social Security numbers and other personal information are used for identification and administrative purposes.

- (3) In order for the program to determine that a pre-existing condition exclusion or post-enrollment waiting period should be waived, or partially waived, the subscriber may also provide the documentation required by section 2698.201(e) for each dependent to be added. If no documentation is provided, the dependent shall be subject to the maximum pre-existing condition exclusion or post-enrollment waiting period described in section 2698.303. Dependents age 18 and under are not subject to pre-existing condition exclusion or post-enrollment waiting periods.
- (4)
 - (A) Coverage for newborns and adopted children eligible pursuant to (a)(1) of this section shall begin upon birth or the date on which the adoptive child's birth parents or other appropriate legal authority signs a written document, including, but not limited to, a health facility minor release report, a medical authorization form, or a relinquishment form, granting the subscriber or the subscriber's spouse or registered domestic partner, the right to control health care for the adoptive child or, absent this written document, on the date there exists evidence of the right of the subscriber or the subscriber's spouse or registered domestic partner, to control the health care of the child placed for adoption.
 - (B) Coverage for all other dependents eligible pursuant to (a)(1) of this section shall begin within 3 months of receipt of the notification to the program from the subscriber, and shall begin on the first day of a month, subject to the provisions of section 2698.303.
- (5) Subscribers shall be notified in writing by the program of the beginning date of coverage by the subscriber's health plan for enrolled dependents, and, if applicable, of any pre-existing condition exclusion period or post-enrollment waiting period. The notice shall caution the subscriber about discontinuing any existing coverage for dependents until full coverage by the subscriber's health plan has begun.
- (6) The subscriber contribution shall be adjusted as of a dependent's beginning date of coverage by the program; unless the dependent added was a newborn or an adopted child.
- (7) The subscriber contribution for a newborn or an adopted child who is enrolled pursuant to (a)(1)(A) of this section shall be adjusted as of the first day of the month following the child's birth or first day of

the month following the date on which the adoptive child's birth parents or other appropriate legal authority signs a written document, including, but not limited to, a health facility minor release report, a medical authorization form, or a relinquishment form, granting the subscriber or the subscriber's spouse or registered domestic partner, the right to control health care for the adoptive child or, absent this written document, on the first day of the month following the date there exists evidence of the right of the subscriber or the subscriber's spouse or registered domestic partner, to control the health care of the child placed for adoption.

- (b) (1) A subscriber wishing to disenroll dependents shall notify the program of the full names, dates of birth, sex, social security numbers, and relationship of the dependents to be disenrolled. Disenrollment of dependents shall be subject to sections 2698.204(a)(1), 2698.204(a)(2) and 2698.204(c).
- (2) The subscriber contribution shall be adjusted, if applicable, as of the date of a dependent's disenrollment by the program.

Section 2698.302 is amended to read:

2698.302. Excluded Benefits

- (a) Plans offered under this program shall exclude the following benefits unless specifically provided for in the program contract with the participating health plan:
 - (1) Services that are not medically necessary. "Medically necessary" as applied to the diagnosis or treatment of illness is an article or service that is not investigational and is necessary because:
 - (A) It is appropriate and is provided in accordance with accepted medical standards in the state of California, and could not be omitted without adversely affecting the patient's condition or the quality of medical care rendered; and
 - (B) As to inpatient care, it could not have been provided in a physician's office, in the outpatient department of a hospital, or in a lesser facility without adversely affecting the patient's condition or the quality of medical care rendered; and
 - (C) If the proposed article or service is not commonly used, its application or proposed application has been preceded by a thorough review and application of conventional therapies; and
 - (D) The service or article has been demonstrated to be of significantly greater therapeutic value than other, less expensive, services or articles.
 - (2) Any services which are received prior to the enrollee's effective date of coverage.

- (3) Custodial, domiciliary care, or rest cures for which facilities of a general acute care hospital are not medically required. Custodial care is care that does not require the regular services of trained medical or health professionals and that is designed primarily to assist in activities of daily living. Custodial care includes, but is not limited to, help in walking, getting in and out of bed, bathing, dressing, preparation and feeding of special diets, and supervision of medications which are ordinarily self-administered.
- (4) Personal or comfort items, or a private room in a hospital unless medically necessary.
- (5) Emergency facility services for nonemergency conditions.
- (6) Those medical, surgical (including implants), or other health care procedures, services, drugs, or devices which are either:
 - (A) Services, products, drugs or devices which are experimental or investigational or which are not recognized in accord with generally accepted medical standards as being safe and effective for use in the treatment in question.
 - (B) Outmoded or not efficacious.
- (7) Transportation except as specified in section 2698.301(a)(5).
- (8) Implants, except cardiac pacemakers, intraocular lenses, screws, nuts, bolts, bands, nails, plates, and pins used for the fixation of fractures or osteotomies and artificial knees and hips; and except as specified in section 2698.301(a)(6).
- (9) Sex change operations, investigation of or treatment for infertility, reversal of sterilization, and conception by artificial means.
- (10) Eyeglasses, contact lenses (except the first intraocular lens following cataract surgery), routine eye examinations, including eye refractions, except when provided as part of a routine examination under "preventive care for minors," hearing aids, orthopedic shoes, orthodontic appliances, and routine foot care are excluded.
- (11) Long-term care benefits including home care, skilled nursing care, and respite care, are excluded except as a participating health plan shall determine they are less costly alternatives to the basic minimum benefits.

- (12) Dental services and services for temporomandibular joint problems are excluded, except for repair necessitated by accidental injury to sound natural teeth or jaw, provided that the repair commences within 90 days of the accidental injury or as soon thereafter as is medically feasible.

This language shall not be construed to exclude surgical procedures for condition directly affecting the upper or lower jawbone, or associated joints.

- (13) Treatment of chemical dependency except as specified in section 2698.301 (a)(1)(J).
 - (14) Cosmetic surgery, except as specifically provided in section 2698.301(a)(6).
- (b) Benefits which exceed \$75,000 in a calendar year under the program for a subscriber, or a subscriber's enrolled dependent or a dependent subscriber shall be excluded.
 - (c) Benefits which exceed \$750,000 in a lifetime under the program for a subscriber, a subscriber's enrolled dependent or dependent subscriber shall be excluded. Benefits received prior to January 1, 1999 shall be counted towards the \$750,000 lifetime maximum.
